Greetings, fellow League members!

Please share this information for a June 17 educational session about the proposed update to the LWV Privatization Position. The presentation will cover

- the background and details about the Concurrence and how it works,
- how your Leagues could use it if it is adopted, and
- how you can help us get it adopted.

Register in advance for this meeting:

<https://us02web.zoom.us/meeting/register/tZUsdOCvrT8qE9ebWhE3La6h5oBPEdUAXJzM>

After registering, you will receive a confirmation email containing information about joining the meeting.

This program will be similar to the (hybrid) caucus on this topic at convention on Friday, June 28, at 9:30 AM ET (5:30 AM Alaska time!) except that they will not be competing with 8 other caucuses and they won't require rising early for anyone in the US.

For more information, please consult the [HCR Toolkit Concurrence page](#) or email lww.vt.update@gmail.com

Thank you so much for your assistance publicizing these events! And thank you for any help you can give in encouraging people to educate themselves about this proposal, and encouraging delegates to **vote Friday, June 28**, in FAVOR of adding discussion of this proposal to the agenda, (and hopefully) to **vote on Saturday, June 29**, in FAVOR of adopting this position by concurrence).

Warmly,

Betty
